2023 Roadmap

Emerge as a leader in innovative Liberal Arts education & scholarship.

Our Challenges
National declines in liberal arts undergraduate enrollment
Uneven linkages with engineering & science
Low external research grant activity

How we emerge in 2023

Strengthen Undergrad Experience	Upgrade Graduate Education	Enhance Faculty Excellence	Strategic Research Investment
- Evolve majors to explore impacts of technology on social, political, and economic systems - Promote Cornerstone, Degree in 3, Degree+ - Actively help students secure internships, jobs	- Launch Dean's Graduate Fellowship for top-flight students - Support grad student research & travel - Continue to offer competitive graduate stipends & fellowships	- Advance CLA Research Academy efforts - Support faculty research & travel - Celebrate research and creative success - Embrace outstanding teaching & mentoring	- Build research cohort in sociogenomics - Expand faculty cohort in artificial intelligence - Build toward growth in AAU metrics across our academic units

Think Broadly. Lead Boldly. Be a Force for Good in the World.
