# Course Release Data AY 2018-2019

- Faculty number information retrieved from the Purdue Data Digest under the faculty and staff dashboard. This information includes tenure and tenure track faculty as of 2018-2019.

- Total teaching capacity calculated by utilizing the standard 2/2 load for our college.

- The number of releases and details for type was obtained from the Department Heads. The original call for 2018-2019 course release information was sent from Senior Associate Dean Joel Ebarb on April 23, 2018 with all information returned by June 1, 2018. Information was compiled into a final report by Holly Tittle-Hudson.

- Based on the information received from the Department Heads, the course releases were organized into the following six categories:

1. Editor

2. VEPR

3. Medical / Parental Leave

4. Research Leave

5. Administrative Service Leave

6. All Other Reported Leaves
