

CLA Faculty Senate Agenda
[1.11.22@3:30]

Before we begin today, we would like to acknowledge the ancestral home of the first people who lived on the land Purdue University now occupies. There are no monuments, signs, or named buildings that acknowledge the first people. We should do better. We must do more. The least we can do today is acknowledge those ancestral and historic people, including the Potawatomi and Miami, and acknowledge them for being the first stewards of this land.
