Unit	Number of Voting Faculty Dec 2020	Number of Senators 2020-21	Number of Voting Faculty Jan 2022	Number of Senators 2022-2023

This proposal is based on proportional representation according to the number of voting faculty, with the provision that no unit shall have fewer than two (2) senators. The total number of CLA senators is at 40 which includes 37 elected from 11 units, 2 from the Heads Council and 1 Dean.
