- **NOTE:**

*Although there is no deadline for submission of this form, students will not be considered enrolled in the History Honors Program until this form has been submitted. The Department of History recommends submission of this form by the beginning of the semester in which the candidate for honors is enrolled in History 421H. The Department also recommends that students update their personal information on the form, as their addresses, phone numbers, etc. change, or if they change their names for any reason. Changes should be emailed, phoned, or mailed to the Director of the History Honors Program. Notes of changes can also be left in the Director's mailbox in the office of the Department of History.*
