

LEIGH S. RAYMOND

Professor of Political Science, Purdue University
100 N. University St., West Lafayette, IN 47907-2098
765-494-4182 (office) 765-430-3651 (mobile), lraymond@purdue.edu

EDUCATION

Ph.D. Environmental Science, Policy, & Management, Univ. of Calif. at Berkeley, 2000

M.S. Wildland Resource Science, Univ. of Calif. at Berkeley, 1996

B.A. Philosophy, *Summa Cum Laude*, Yale University, 1988

ACADEMIC APPOINTMENTS and ADMINISTRATIVE EXPERIENCE

Professor of Political Science, Purdue University, 2012-present

Fulbright Canada Research Chair in the Sustainable Economy, University of Ottawa, fall 2018

Co-Director Indiana Chapter, Scholar Strategy Network, 2018 – present

Purdue Policy Research Institute Faculty Fellow, 2017-18

University Faculty Scholar 2014-19

- Appointment for leading faculty at Purdue offering additional research funds for five years.

Associate Professor of Political Science, Purdue University 2006-12

Assistant Professor of Political Science, Purdue University, 2002-06

Director, Purdue University Discovery Park Center for the Environment, 2012-17

- Faculty director of center with ~\$350,000 annual budget promoting interdisciplinary research and education at Purdue focused on grand environmental challenges. 5-year term concluded July 1, 2017, followed by research sabbatical through December 2017.

Chair, Department of Political Science Strategic Vision Committee, 2016-17

- Led year-long departmental process to set future research, teaching, and engagement goals. Produced 5-year plan to strengthen cross-cutting areas within the department and increase quality and number of undergraduate and graduate students in major.

PI and Faculty Lead, Purdue Building Sustainable Communities Cluster Hire, 2013-2017

- Successfully applied for and oversaw implementation of \$1.2 mil, 7 faculty member cluster hire spanning 4 colleges and 7 departments on the theme of building sustainable communities. Funding for positions supplied by Provost's office as well as participating departments, hiring completed over 3 years from 2013-2015. Served personally on all 7 search committees.

Associate Director, Purdue Climate Change Research Center, 2005-12

- Worked directly for faculty director of this interdisciplinary center promoting research and education on climate change at Purdue. Special emphasis on engaging social science and humanities faculty and students in center's work in this role.

Purdue Political Science Department Undergraduate Program Director, 2010-12

- Responsible for day to day management of undergraduate program with approximately 400 majors.

Lecturer and Associate Chair, Environmental Studies Program, Univ. of Chicago, 2000-02

- Worked directly with Chair of Environmental Studies program on all aspects of this interdisciplinary undergraduate major, including curriculum requirements, special events, and relationships with university administrators and a major foundation supporter of program.

President, NICHES Land Trust, Lafayette IN, 2011-13

- Led board of director's meetings and supervised executive director of local environmental organization with \$300,000 annual budget and more than \$5 mil in land and other assets. Also led organization through multi-year accreditation process to meet national standards for ethics and professionalism.

Board of Directors, NICHES Land Trust, Lafayette IN, 2006-2015

- Served maximum three terms on board, overseeing transition from a volunteer to a staffed organization during this time period and chairing committee that created a new 20-year strategic vision for organization through 2030.

Senior Analyst, East Bay Conservation Corps (EBCC), Oakland CA, 1994-99

- Produced \$10 mil. annual budget and provided financial and strategic analysis to senior management and board of the EBCC, a non-profit environmental agency providing youth development and service. Part-time position while attending graduate school full-time.

Administrative Director, EBCC, 1992-94

- Chief financial and administrative officer for environmental agency with 65 full-time staff and 300+ participants. Member of three-person senior management team.

Recycling Program Manager, EBCC, 1990-92

- Managed entire \$1 mil recycling program for EBCC.

Recycling Intern Supervisor, EBCC, 1988-89

- Created and implemented new internship program with local community recycling centers.

RESEARCH HONORS AND GRANTS

Research Honors

- 2018 Fulbright Canada Research Chair in the Sustainable Economy, University of Ottawa
- 2014-19 University Faculty Scholar, Purdue University
- 2017 Purdue University College of Liberal Arts, Discovery Excellence Award in Social Sciences.
(Career accomplishments in social science research.)
- 2017 Lynton Keith Caldwell Prize, American Political Science Association,
(Best book in environmental politics and policy published in last three years.)
- 2014 Invited co-editor (with S. L. Weldon), Mini-symposium in *Political Research Quarterly* of
four invited articles on informal institutions and intractable global problems.

External Grants

- Social Sciences and Humanities Research Council of Canada. *Greening Growth Partnership Grant*.
Co-PI. \$2.5 mil (Canadian), 2018-2024.
- National Science Foundation Smart and Connected Communities Program. *Sociotechnical Systems
to Enable Smart and Connected Energy-Aware Residential Communities*. Co-PI on community
partnerships and resident energy feedback research. \$3,581,912, 2017-21.
- U.S. Dept. of Agriculture Economic Research Service. *Why Do Farmers Adopt Offset-Eligible
Practices? An Experimental Investigation of Framing Effects*. PI. \$130,000, 2010-13.
- National Science Foundation. *Social, Economic, and Political Aspects of U.S. Ethanol Policy*. Co-
PI. \$749,961, 2007-11.
- National Science Foundation. *Workshop Grant - New Perspectives on Intractable Problems:
Informal Institutions as Policy Responses to Global Grand Challenges*. Co-PI. \$28,200. 2012.
- National Science Foundation. *Investigating the Life Cycle and Policy Aspects of Brominated Flame
Retardants*. Co-PI. \$400,000, 2005-09.
- U.S. Geological Survey / Indiana Water Resources Research Center. *Norms, Public Opinion, and
Preservation of "Non-charismatic" Aquatic and Riparian Species*. \$27,478, 2004-05.
- U.S. Environmental Protection Agency. *Science to Achieve Results (STAR) Dissertation
Fellowship*. ~\$100,000, 1998-2000.

Internal Grants

- Purdue Discovery Park Big Ideas Challenge. *Affordable Net Zero Housing and Transportation
Solutions*. PI. \$300,000, 2017-2019.

Purdue Research Foundation, *Beyond the Climate Science Wars: Elite Framing and Motivated Cognition in Climate Change Policy*. PI. \$17,645, 2017-18.

Mellon Grand Challenge Award. *Gender and Social Impacts of Institutional Arrangements for Improved Seed Technologies*. Co-PI. \$60,000, 2014-15.

Purdue Policy Research Institute. *All (Climate) Politics Are Local?* PI. \$30,000, 2010-11.

Purdue Policy Research Institute. *Informal Institutions as Responses to Global Grand Challenges*, Co-PI. \$10,000, 2010-11.

Purdue Research Foundation, *Revisiting “Who Influences Whom?” A Study of Agenda Setting and Issue Framing on Biofuels*. PI. \$16,795, 2010-11.

Purdue Research Foundation. *Legitimacy and Morality: Affirmative Motivations for Compliance with the Endangered Species Act*. PI. \$15,216, 2008-09.

Purdue Discovery Park Center for the Environment. *Affirmative and Negative Motivations for Compliance in Emissions Trading*, Co-PI. \$25,000, 2007.

Clifford Kinley Trust Fund. *Protecting Biodiversity on Private Property: The Role of Landowner Beliefs and Norms*. PI. \$20,000, 2005-06.

TEACHING EXPERIENCE, GRANTS, AND HONORS

Undergraduate Courses

POL 120 Introduction to Public Policy (Purdue University)
POL 223 Introduction to Environmental Policy (Purdue University)
POL 491 Environmental Federalism (Purdue University)
POL 520 Carbon Neutrality at Purdue (Purdue University)
POL 520/EAPS 598 Models in Climate Change Science and Policy (Purdue University)
ENVS 241 The Environment in U.S. Politics (University of Chicago)
ENVS 244 Is Development Sustainable? (University of Chicago)
ESPM 153 American Land: Interpretation, Use, and Control (U.C. Berkeley)

Graduate Courses

Incoming Graduate Student Writing “Boot Camp”
POL 608 Qualitative Research Methods in Political Science (Purdue University)
POL 623 Research Seminar on Environmental Policy (Purdue University)
POL 620 Proseminar in Public Policy Theory (Purdue University)
POL 523 The Political Economy of the Environment (Purdue University)
PPH 347 Ethics and Public Policy (Harris School of Public Policy, Univ. of Chicago)

Graduate and Undergraduate Advising

Chair or Co-Chair, 6 completed Ph.D. dissertations in Political Science

Heather Cann, 2018, placed as visiting asst. prof. at Franklin and Marshall College.

Amelia Andrews, 2015, placed in tenure track position at Calif. Polytechnic State Univ.

Ashlie Delshad, 2011, placed in tenure track position at West Chester University

Andrea Olive, 2009, placed in tenure track position at Univ. of Michigan, Dearborn

Laura Schneider, 2008, placed in tenure track position at Grand Valley State Univ.

Julie A. Lester, 2007, placed in tenure track position at Macon State College

Senior B.A. Honors Thesis Advisor, Purdue University and University of Chicago

Teaching Grants and Honors

Purdue College of Liberal Arts Outstanding Graduate Teaching Award. \$2,000, 2018-19.

Induction to Purdue University Book of Great Teachers, December 2018.

Purdue College of Liberal Arts INNOVATE grant to develop Certificate in Environmental and Sustainability Studies. Co-PI. \$31,000, 2015-16.

Purdue College of Liberal Arts Educational Excellence Award. \$5,000, 2012-13.

Kenneth T. Kofmehl Outstanding Undergraduate Teaching Award, Purdue College of Liberal Arts. \$5,000, 2011-12.

Purdue College of Liberal Arts Nominee, Charles B. Murphy Outstanding Undergraduate Teaching Award, 2011-12.

Political Science Dept. Nominee, Provost's Graduate Faculty Mentor Award, 2010 & 2011.

Purdue College of Liberal Arts Departmental Educational Excellence Award, 2008-09.

Purdue Technology Digital Content Development Grant. *Integrating Models of Climate Change for Cross-Disciplinary Learning*. Co-PI. \$8,750, 2005-06.

Invited Faculty Mentor, NSF Dissertation Initiative for the Advancement of Climate Change Research, Monterey, CA, April 2006.

NSF LANGURE Grant for Ph.D. Research Ethics Course. Senior Fellow, 2005-08.

Political Science Dept. Undergraduate Teaching Award, Purdue University, 2005-06 & 2008-09.

Political Science Dept. Nominee, Charles B. Murphy Outstanding Undergraduate Teaching Award, 2005-06.

Professor of the Year, Purdue *Pi Sigma Alpha Political Science Honors Society*, 2004-05.

INVITED PRESENTATIONS

2019 Canadian Political Science Association, Featured Panel, “Climate Change Mitigation: Carbon Pricing in the Canadian Federation.”

2018 University of Ottawa, *Fulbright Research Chair in Sustainable Economy Lecture*, “Strategies for Carbon Pricing Success.”
