

# Fundamentals of Phonology and Morphology

## LING 311 – Fall 2021

This course will introduce you to the practice of phonological and morphological analysis as well as the fundamental theories of phonology and morphology

### Course Description

In this course, the following will be explored:

- The basic principles that govern organization of human sounds in language systems
- Common phonological processes through scientific observation and analysis
- The interaction of phonology & morphology (morphophonology)
- The theoretical assumptions which underlie current approaches to phonological analysis

Section (17134-002): Tuesday & Thursday 3:00-4:15 pm

Yuhyeon Seo: seo86@purdue.edu

Section (19036-001): Tuesday & Thursday 7:30-8:45 am

Alexis Tews: atews@purdue.edu
