Arab Women Writers: Gender, Religion and Culture
Fall 2016

- Explore how religion inflects women’s writing...
- Travel to the Middle East and North Africa via women’s tales...
- Hear the story of growing up Arab/Muslim in America.

Topics to be explored include: religion, sexuality, marriage, education, immigration & transnationalism

Satisfies CLA Core requirement in Gender Issues & requirements in Religious Studies, Arabic Studies and Women’s Studies
