

The background of the entire page is a stylized illustration of a movie theater. In the foreground, there are rows of dark seats with red cushions, viewed from behind. The theater floor is a light beige color. In the background, there is a large screen displaying the course title. The screen is framed by a dark border. On the left and right sides of the screen, there are vertical film strips with yellow frames. The overall color scheme is warm, with reds, oranges, and yellows.

# LC 596

## Using Film in the L2 Classroom

This course addresses how to use film in a pedagogically principled manner in the L2 classroom. Activities will include film excerpts, films based on literary texts, TV programs, short films, whole films. The course will also feature activities using various filmic aspects (sound, light, colors, etc).

Examples will be in Chinese, French, German, Japanese, Spanish, and English.
