Earning Departmental Credit through Placement
The School of Languages and Cultures does not offer credit by exam for language placement results. Students who place into a language sequence may earn departmental credit for courses passed over in placement by successfully completing their placement course. In order to earn departmental credit for courses skipped in the 101-202 sequence, students must

1. enroll in their placement course for a letter grade on the Purdue West Lafayette Campus, and
2. successfully complete the placement course with a C- or higher.

The School of Languages and Cultures asks the Registrar to issue credit accordingly for each language listed below when students earn a C- or higher in their placement course and do not already have the credit for the previous courses in the 101, 102, 201, and 202 sequence.:
