Road Construction Traffic

As some of our patrons may already be aware, State Street (SR 26) which typically provides access to campus from the east has been closed due to construction through May, 2016. To reach Pao Hall from State Street, please follow these directions:

After crossing the bridge from Lafayette, turn left at the first traffic light onto Tapawingo Drive. Continue straight up the hill as Tapawingo becomes Williams Street and until it terminates at Grant Street. Turn right onto Grant Street and drive two blocks north to Harrison Street. Turn left onto Harrison Street heading west and drive two blocks to Marsteller Street near the greenhouses. Turn right onto Marsteller Street. Pao Hall will be one block north on your right.

Alternatively, you may continue north on Grant Street from Williams Street to State Street, turn left onto State Street, and reach our building as you typically would.

We apologize for the inconvenience.
