

Non-Thesis Masters

1. Name: _____
2. When do you expect to graduate? (Month/Year) _____
3. Are you working towards a Master of Arts or Master of Science Degree: _____
Campus students typically receive an MA. Online students receive an MS.
4. What is your major or primary area? _____
The five area headings commonly used are: Health, Interpersonal, Organizational, Public Relations, and Media, Technology and Society. If you do not use one of these five, you may use a variation or subdivision of an area heading.
5. Minor or related area #1? _____
Minor or related area #2? _____
6. The minimum coursework required is 36 hours (followed by Comprehensive Examinations). Some restrictions are: No more than 12 hours may be transferred from "O" status; no more than 6 hours may be transferred from another school; no more than 6 hours of 300/400 level classes may be taken as a graduate student (grade of B or higher); maximum 2 independent studies (COM 590). None of the transferred hours could have been used to obtain any other degree.

PRIMARY OR MAJOR AREA: A minimum of 18 hours.
