TIP: Click on the topic to go to that section.

As you prepare for your presentations, here are some tips and guidance on downloading C-SPAN video clips.

You must have a My C-SPAN account for free downloads.

[MYC-SPAN LOGIN](#)

Creating a My C-SPAN Account is free and provides the following benefits:

- **Bookmarks:** Click the bookmark icon to follow C-SPAN content and save it to your profile page.
- **Clips:** Creating a clip with a My C-SPAN Account saves the clip to your profile page for easy access.
- **Email Notifications:** Subscribe to email notifications to receive updates about bookmarked content.
- **Video Recommendations:** View recommended programs based on your bookmarked content.
- **Free Downloads:** Download four full Congressional Sessions and Hearings up to four hours in length each month.
- **Free Clip Downloads:** Download five free clips up to five minutes in length from each program. There is no limit on the number of free clips allowed from Congressional Sessions and Hearings.

To create your account, click on the My C-SPAN Login.

It is recommended that if you have a .edu email address to use it for your C-SPAN Account.

Fill in the form and click Create My Account.

CREATE MY ACCOUNT

You will receive a confirmation email within 24 hours.

To **ACTIVATE** your account, you **MUST CONFIRM** your email address by clicking the link provided.

Using Video Clips in Your Presentation

If you are giving a presentation, we encourage you to download and include your video or audio in PowerPoint or Keynote. This will ensure that it plays quickly with no waiting.

You may have noticed that C-SPAN has begun to include ads at the beginning of programs. This is not the case with clips or with downloads.

If you cannot or choose not to download and embed the video clips, you can include a link. You do this by making the clip, copying the URL, inserting it as a hyperlink in your PowerPoint or Keynote. This is a little slower but does work. Again, there will be no ad if it is a clip.

Rules for free downloads.

VIDEO CLIPS

Congressional Sessions or Committee Hearings

- Unlimited free clips
- Clips must be 5 minutes or less in length

All Other Program Clips

- Up to 5 clips per program
- Clips must be less than 5 minutes in length

FULL VIDEO PROGRAMS

Congressional Sessions or Committee Hearings

- Download up to four full programs each month
- Full programs must be less than 4 hours in length

Whole programs are long and tie up resources to download so they are limited.

Download Permission Reference

You can create video clips from most videos in the C-SPAN Digital Library, however, some video clips cannot be downloaded. For video clips that cannot be downloaded, the video is still available and viewable using the C-SPAN video clip link.

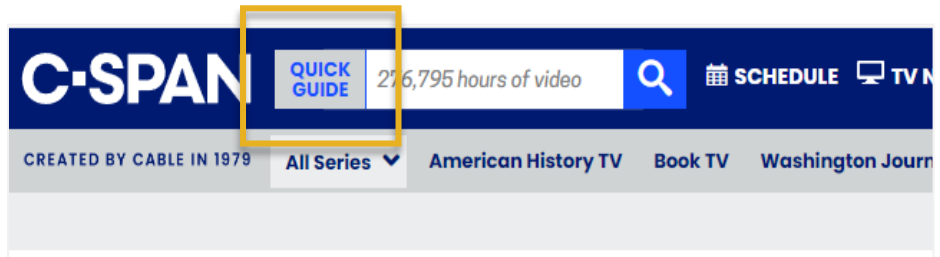

Below is the full list of programs and download permissions.

Program Type	Agency, Organization or Program Name	Downloading Allowed

C-SPAN Archives Research – Getting Started

EXAMPLE – from the QUICK GUIDE select HOUSE COMMITTEES

All the House Committees results will appear under the VIDEOS tab first.

Use the filter boxes and/or tabs on the left to further refine your search results or select one of the tabs at the top to view results by CLIPS, PEOPLE, ORGANIZATION, MENTIONS, or BILLS.

You can also sort the results by when the program aired, when it was recorded, best match, most popular, or most views.

The screenshot displays the C-SPAN Archives website interface. At the top, the C-SPAN logo is followed by a search bar containing '276,795 hours of video' and a magnifying glass icon. Navigation links include SCHEDULE, TV NETWORKS, RADIO, PODCASTS, and APP. Below this, a secondary navigation bar shows 'CREATED BY CABLE IN 1979' and 'All Series' with dropdown menus for American History TV, Book TV, Washington Journal, Congress, Executive, and Supreme Court. A user greeting 'Welcome, CCSE' and a LOGOUT link are present, along with social media icons for Facebook, Twitter, and Email.

The main content area features a row of tabs: VIDEOS (selected), CLIPS, PEOPLE, ORGANIZATIONS, MENTIONS, and BILLS. Below the tabs, a 'Filter by' section includes a DATE range selector, Congress and Year dropdowns, an 'Audio Only' checkbox, and an 'Add terms to search' field. A 'Tag' dropdown is set to 'Person', and other dropdowns for Organization, Series, and Location are visible. An 'Event Type' section shows 'House Committee' selected with a count of 7,972. There are also 'Add' and 'Exclude' fields with plus icons.

The search results are titled 'HOUSE COMMITTEE' and show 'Videos Sorted by' 'Most Recent Airing'. A checkbox for 'Search Program Text' is present. The results list shows 'Showing 1 – 20 of 7,972 Show 100'. Three results are visible:

- Civil and Abortion Rights After Supreme Court Overturns Roe v. Wade** (JULY 14, 2022, LAST AIRED JULY 26, 2022). Description: "If you do not protect marriage equality, you are saying that we do not belong in 'We the people,'" said Jim Obergefell, the lead plaintiff in the case that legalized same-sex marriage nationwide. He and... **3,312 VIEWS**
- House Hearing on Economic Impact of Mass Shootings** (JULY 19, 2022, LAST AIRED JULY 25, 2022). Description: Buffalo, New York, Mayor Byron Brown (D) testified at a House Financial Services subcommittee hearing on the short- and long-term economic impact of mass shootings on local communities. His... **407 VIEWS**
- Hearing on U.S. Policy Toward Africa** (JULY 21, 2022, LAST AIRED JULY 26, 2022). Description: The House Foreign Affairs Committee held a virtual hearing on U.S. policy towards Africa. Key experts discussed topics including Russia and China influence, U.S. and Africa trade relations,... **153 VIEWS**

C-SPAN Archives Research – Getting Started

To begin a new search, input your search term(s).

The first page you see is a limited, broad overview of general search results.

To refine your search for better results, select one of the tabs listed at the top of the page.

The general search is recommended when conducting a limited, broad search. It is NOT recommended for targeted searches or for scholarly research.

CLICK ON ONE OF THE FOLLOWING OPTIONS FOR ADVANCED SEARCH:

- VIDEOS
- CLIPS
- PEOPLE
- ORGANIZATIONS
- MENTIONS
- BILLS

Results for *cybersecurity*

Cybersecurity
Senate Armed Services Subcommittee on **Cybersecurity** Committee ... Hearings to examine **cybersecurity** responsibilities of the defense industrial base.

Michael Daniel on Russian **Cybersecurity Threats**
Feb 25, 2022 ... Cyber Threat Alliance's Michael Daniel talked about the threat Russia poses when it comes to potential retaliatory cyberattacks.

Cybersecurity in the Energy Sector
Dec 13, 2021 ... Former Homeland Security Secretary Jeh Johnson and talked about **cybersecurity** and critical infrastructure.

C-SPAN Archives Research – Refining the Search

The VIDEOS tab refines the search by looking for the search term within the Title and Description of the video which is highlighted in yellow.

Use the filter boxes and/or tabs on the left to further refine your search results. You can also sort the results by when the program aired, when it was recorded, best match, most popular, or most views.

Because the VIDEOS search does not pull data from within the transcript VIDEOS search results should be used for broad or general topic searches.

The screenshot shows the C-SPAN website interface. At the top, the C-SPAN logo is on the left, followed by a search bar containing '276,794 hours of video' and a magnifying glass icon. To the right of the search bar are links for SCHEDULE, TV NETWORKS, RADIO, PODCASTS, and APP. Below this is a navigation bar with 'All Series' and dropdown menus for 'American History TV', 'Book TV', 'Washington Journal', 'Congress', 'Executive', and 'Supreme Court'. A user greeting 'Welcome, CCSE' and a 'LOGOUT' link are on the right, along with social media icons for Facebook, Twitter, Email, and a shopping cart.

Below the navigation bar, there are six tabs: VIDEOS (highlighted with a yellow box), CLIPS, PEOPLE, ORGANIZATIONS, MENTIONS, and BILLS. To the left of the main content area is a 'Filter by' sidebar with options for DATE (calendar icon), Congress (dropdown), Year (dropdown), Audio Only (checkbox), and a section for 'Add terms to search' with a plus icon and a text input field. Below this are dropdown menus for Tag, Person, Organization, Series, Location, and Event Type.

The main content area displays 'Results for cybersecurity Sorted by Most Recent Airing'. It shows 'Showing 1 - 20 of 1,191 Show 100'. The first result is a video titled 'Hearing on the Use of Biometrics and Privacy' dated 'JUNE 29, 2022' and 'LAST AIRED JULY 20, 2022'. The description mentions 'They also discussed the difference between cybersecurity and privacy in relation to biometrics.' and it has '324 VIEWS'. The second result is 'Election Administration and Integrity' dated 'JULY 11, 2022' and 'LAST AIRED JULY 19, 2022', with a description about election administration officials and '275 VIEWS'. The third result is 'Federal Reserve Vice Chair Testifies on...' dated 'MAY 26, 2022' and 'LAST AIRED JUNE 22, 2022'.

C-SPAN Archives Research – Refining the Search

The CLIPS tab refines the search by pulling user-created video clips from the original full-length program.

As with the VIDEOS search the results are limited. The data is pulled from the original program title and description and not from within the transcript.

Use the filter boxes and/or tabs on the left to further refine your search results. You can also sort the results by when the program aired, when it was recorded, best match, most popular, or most views.

CLIPS search results should be used for broad or general topic searches.

The screenshot shows the C-SPAN website interface. At the top, the C-SPAN logo is on the left, and navigation links for QUICK GUIDE, SCHEDULE, TV NETWORKS, RADIO, PODCASTS, and APP are on the right. Below the logo, it says '276,794 hours of video'. A search bar is also present. The main navigation bar includes 'CREATED BY CABLE IN 1979', 'All Series', and various program categories like American History TV, Book TV, Washington Journal, Congress, Executive, and Supreme Court. A user login area shows 'Welcome, CCSE' and a 'LOGOUT' button. Social media icons for Facebook, Twitter, Email, and a shopping cart are also visible.

The main content area features a row of tabs: VIDEOS, CLIPS (highlighted with a yellow box), PEOPLE, ORGANIZATIONS, MENTIONS, and BILLS. Below the tabs, there are filter options: 'Filter by DATE' with a date range selector, 'Congress' with a dropdown, and 'Year' with a dropdown. There is also a section for 'Add terms to search' with a plus icon and a text input field. Below this are several dropdown menus for 'Clip Creator', 'Tag', 'Person', 'Series', and 'Program'.

The search results are displayed under the heading 'Results for cybersecurity Sorted by Most Popular'. It shows 'Showing 1 - 20 of 1,730 Show 100'. The first result is a video clip titled 'User Clip: Clint Watts Testimony on Russian Active Measures Overview' dated MAY 24, 2017. The description states: 'Clint Watts describes the scope of Russian Active Measures, White Outlets, Russian Social Media bots and how they manipulated the political scene. Details that the Intelligence Community...'. It is labeled 'USER-CREATED CLIP BY HGUPIRRET' and has '10 MINUTES | 265,019 VIEWS'. The second result is 'User Clip: Dominion Parts From China' dated NOVEMBER 7, 2020, with a description 'Dominion Parts From China', labeled '1 MINUTE | 257,702 VIEWS'.

C-SPAN Archives Research – Refining the Search

The PEOPLE tab refines the search by finding people whose C-SPAN profile page descriptions include the search term.

Use the filter boxes and/or tabs on the left to further refine your search results. You can also sort the results.

C-SPAN Archives Research – Refining the Search

The ORGANIZATION tab refines the search by looking for key terms from the organization's C-SPAN profile page.

Use the filter boxes and/or tabs on the left to further refine your search results. You can also sort the results.

The screenshot shows the C-SPAN website interface. The top navigation bar includes the C-SPAN logo, a search bar with '276,794 hours of video', and links to SCHEDULE, TV NETWORKS, RADIO, PODCASTS, and APP. Below this is a secondary navigation bar with 'All Series' and various program categories like American History TV, Book TV, Washington Journal, Congress, Executive, and Supreme Court. A user profile section shows 'Welcome, CCSE' and a LOGOUT button. The main content area features a row of tabs: VIDEOS, CLIPS, PEOPLE, ORGANIZATIONS (highlighted with a yellow box), MENTIONS, and BILLS. To the left of the main results is a 'Filter by' section with a search box and a tag dropdown. The main results area displays 'Results for cybersecurity Sorted by Best Match' and 'Showing 1 - 20 of 98'. Two results are visible: 'Homeland Security -> Cybersecurity, Infrastructure Protection, and Innovation' and 'Billington CyberSecurity'. Both results show the number of programs and people associated with them.

The ORGANIZATION data is pulled from the organization's C-SPAN profile page which contains information about the group including the organization's name, key words, videos in which the organization appears, or other general information.

The screenshot shows a section of the C-SPAN website titled 'RECENT PROGRAMS'. It features a list of recent video recordings. The first program is 'House Hearing on Securing U.S. Infrastructure From Cyberattacks' from September 1, 2021. The second program is 'Hearing on Cyber Threats and the Colonial Pipeline Attack' from June 15, 2021. Each program entry includes a thumbnail image, the date, the title, and a brief description of the content.

ORGANIZATION search results are best used when looking for a specific organization such as congressional committees, government departments, NGOs, and etc...

C-SPAN Archives Research – Refining the Search

The MENTIONS tab refines the search by looking for the search terms within the Transcript. This expands the results to include every instance in which the search terms are mentioned within videos. The results are targeted to the section of the program video in which the search terms appear.

Use the filter boxes and/or tabs on the left to further refine your search results. You can also sort the results by when the program aired, when it was recorded, best match, most popular, or most views.

MENTIONS search results are best used for research or when looking for the largest quantity of results for key word(s).

The screenshot shows the C-SPAN website interface. At the top, the C-SPAN logo is on the left, and navigation links for SCHEDULE, TV NETWORKS, RADIO, PODCASTS, and APP are on the right. Below the logo, it says '276,794 hours of video'. A search bar contains the text 'cybersecurity'. Below the search bar, there are tabs for 'All Series', 'American History TV', 'Book TV', 'Washington Journal', 'Congress', 'Executive', and 'Supreme Court'. The 'MENTIONS' tab is highlighted with a yellow box. Below the tabs, there are buttons for 'VIDEOS', 'CLIPS', 'PEOPLE', 'ORGANIZATIONS', 'MENTIONS', and 'BILLS'. To the right of the 'MENTIONS' button is an 'Export CSV' link. On the left side, there are filter boxes for 'DATE', 'Congress', 'Year', 'Add terms to search', 'Person', and 'Event Type'. The main content area shows 'Results for cybersecurity Sorted by Newest'. Below this, there is a video player showing a clip of David Pekoske speaking. The video title is 'TSA Administrator Confirmation Hearing' and it has '483 VIEWS'. The date '07/21/2022' is also displayed.

C-SPAN Archives Research – Refining the Search

The **BILLS** tab refines the search by looking for all Congressional bills in which the search terms are included. The data is pulled from the title or description of the bill.

The results identify the bill's title or description, the Congress term, bill sponsor, as well as legislative action or status.

Use the filter boxes and/or tabs on the left to further refine your search results. You can also sort the results.

BILLS search results are recommended for use when looking for legislation, legislative action, bill sponsors, amendments, policy area, or status of a bill.

Getting Started with API – Searching

To begin a search, input your search term(s).

The first page you see is a broad overview of general search results.

To refine your search for better results, select one of the tabs listed at the top of the page.

C-SPAN QUICK GUIDE 276,732 hours of video SCHEDULE TV NETWORKS RADIO PODCASTS APP

CREATED BY CABLE IN 1979 All Series American History TV Book TV Washington Journal Congress Executive Supreme Court

Welcome, CCSE [Logout](#)

CLICK ON ONE OF THE FOLLOWING OPTIONS FOR ADVANCED SEARCH:

[VIDEOS](#) [CLIPS](#) [PEOPLE](#) [ORGANIZATIONS](#) [MENTIONS](#) [BILLS](#)

Results for **cybersecurity**

Cybersecurity
Senate Armed Services Subcommittee on **Cybersecurity** Committee ... Hearings to examine **cybersecurity** responsibilities of the defense industrial base.

Michael Daniel on Russian **Cybersecurity Threats**
Feb 25, 2022 ... Cyber Threat Alliance's Michael Daniel talked about the threat Russia poses when it comes to potential retaliatory cyberattacks.

Cybersecurity in the Energy Sector
Dec 13, 2021 ... Former Homeland Security Secretary Jeh Johnson and talked about **cybersecurity** and critical infrastructure.

Getting Started with API – Getting Ready to Download

While the RESULTS list includes a large dataset only a limited number of results are shown.

The screenshot shows the C-SPAN website interface. The top navigation bar includes the C-SPAN logo, a 'QUICK GUIDE' button, and a search bar containing '276,797 hours of video'. To the right of the search bar are links for 'SCHEDULE', 'TV NETWORKS', 'RADIO', 'PODCASTS', and 'APP'. Below this is a secondary navigation bar with 'CREATED BY CABLE IN 1979', 'All Series' (dropdown), and category links for 'American History TV', 'Book TV', 'Washington Journal', 'Congress', 'Executive', and 'Supreme Court'. A user greeting 'Welcome, CCSE' and a 'LOGOUT' button are visible, along with social media icons for Facebook, Twitter, and Email. A row of filters includes 'VIDEOS', 'CLIPS', 'PEOPLE', 'ORGANIZATIONS', 'MENTIONS', and 'BILLS'. Below the filters, a 'Filter by' section shows 'DATE' with a date range selector and 'Congress' with a dropdown. The main content area displays 'Results for cybersecurity Sorted by Newest' with a dropdown arrow. A checkbox for 'Include Unidentified Speakers' is checked. A green box highlights the text 'Showing 1-20 of 436 Show 100'.

To capture the full list of results in the downloadable CSV file, the results displayed must be expanded.

The results displayed can be increased to 100 and then expanded in increments of 100 more until you have expanded to the full list of results.

This screenshot is identical to the one above, showing the C-SPAN website search results for 'cybersecurity'. The only difference is the text in the green box, which now reads 'Showing 1-100 of 436 Show 20'.

Getting Started with API – Downloading the search results

Select the tab, review the results and then export the CSV file.

The screenshot shows the C-SPAN website interface. At the top, there's a navigation bar with 'C-SPAN' logo, 'QUICK GUIDE', and search results for '276,732 hours of video'. Below this, there are tabs for 'All Series', 'American History TV', 'Book TV', 'Washington Journal', 'Congress', 'Executive', and 'Supreme Court'. A 'Welcome, CCSE' message and a 'LOGOUT' button are visible. The main content area has a 'VIDEOS' tab selected, and a 'MENTIONS' tab is highlighted with a green box. An 'Export CSV' button is also highlighted with a green box. The search results are for 'cybersecurity', sorted by 'Newest'. A video clip by David Pekoske is shown, dated 07/21/2022, titled 'TSA Administrator Confirmation Hearing' with 396 views. The video transcript text is visible below the video player.

CSV results include pertinent information including a link to the video/audio, and searchable transcript text.

id	person	personid	beginntime	length	link	programid	programPublicId	programTitle	videoTypeid	text
900109804	David Pekoske	108721	7/21/2022 11:25	82	https://www.c-span.org/video/?521732-1&mention=900109804&mentionSearch=cybersecurity	614811	521732-1	TSA Administrator Confirmation Hearing	Senate Committee	THANK YOU, SENATOR, I APPRECIATE THE QUESTION. YOUR RIGHTS. WE'VE PLACED A LOT OF EFFORT, PARTICULARLY ON THE PAST YEAR PLUS, IN CYBERSECURITY. WE BEGIN WITH THE OIL AND NATURAL GAS PIPELINE SYSTEM AND ISSUED THROUGH SECURITY DIRECTIVES LAST YEAR TO DO A COUPLE OF THINGS. ONE OF THEM IS VERY CONSISTENT WITH THIS COMMITTEE HAS LAUNCHED. THAT IS CYBER REPORTING. WE REQUIRE SIGNIFICANT BUSINESS TO BE PRESENTED TO CISA WHICH THEN -- A SERIES OF MEASURES ARE PUT IN PLACE THAT REQUIRES THOSE COMPANIES, 97 COMPANIES, TO PUT THESE MEASURES IN
900109803	Jacky Rosen, D - NV	104738	7/21/2022 11:24	91	https://www.c-span.org/video/?521732-1&mention=900109803&mentionSearch=cybersecurity	614811	521732-1	TSA Administrator Confirmation Hearing	Senate Committee	THANK YOU CHAIRMAN PETERS, I APPRECIATE YOU WAITING FOR ME. THANK YOU FOR YOUR WILLINGNESS TO SERVE. LET'S TALK A BIT ABOUT TRANSPORTATION AND CYBERSECURITY. TSA, I KNOW YOU HAVE AN ENORMOUS AND COMPLEX RESPONSIBILITY OF SECURING THE NATIONS TRANSPORTATION SYSTEMS FROM BOTH PHYSICAL AND OF COURSE CYBER THREATS. WITH CYBER ATTACKS ON AMERICAN TRANSPORTATION INFRASTRUCTURE, WHILE THEY'RE ESCALATING IN BOTH FREQUENCY AND SEVERITY, EARLIER THIS YEAR, SENATOR WICKER AND I WROTE TO BOTH DHS, SECRETARY MAYORKAS AND TRANSPORTATION SECRETARY BUTTIGIEG REQUESTING INFORMATION ABOUT THEIR RESPECTIVE AGENCY
900109509	Rob Portman, R - OH	31819	7/21/2022 10:26	342	https://www.c-span.org/video/?521732-1&mention=900109509&mentionSearch=cybersecurity	614811	521732-1	TSA Administrator Confirmation Hearing	Senate Committee	THANK YOU, MISTER PEKOSKE, FOR YOUR WILLINGNESS TO SERVE AGAIN, AND MISTER CHAIRMAN, THANK YOU FOR HAVING THIS HEARING. THIS IS A REALLY REALLY CRITICAL POSITION, I DON'T NEED TO TELL YOU THAT. YOU KNOW WELL. IT'S ALSO ONE THAT THIS COMMITTEE CARES A LOT ABOUT, GIVEN OUR OVERSIGHT RESPONSIBILITIES. TSA HAS PLAYED A VITAL ROLE SINCE 9/11 OF COURSE, IN COMBATTING TERRORISM AND ENSURING THAT OUR AVIATION AND TRANSPORTATION SYSTEMS ARE PROTECTED. AS I WALK THROUGH THE TSA LINE, WHICH I DO TWICE A WEEK, I SAY THANK YOU FOR PROTECTING US. BECAUSE THAT'S WHAT YOU DO. WE APPRECIATE THAT AND WE HAVE FOUGHT TO TRY TO HELP ENSURE THAT YOUR TSA PERSONNEL ARE TREATED APPROPRIATELY IN THE FEDERAL GOVERNMENT, LAW ENFORCEMENT CONTEXT. WE WANT TO DO MORE IN THAT REGARD. SO, WE APPRECIATE YOUR WORK AND THE DILIGENCE THAT THE TSA WORK FOR US THAT. IF YOU LOOK AT THE RECORD, ALTHOUGH GEO AND OTHERS HAVE HOPE TO MAKE YOUR SYSTEM WORK BETTER BY PUTTING OUT FLAWS, WE HAVE BEEN BLESSED WITH NOT HAVING THE KINDS OF INCIDENTS THAT EVERYONE FEARED WE WOULD HAVE REPEATEDLY AFTER 9/11. I WILL SAY THAT 9/11 TYPE THREATS, HAVING BEEN REALLY BE THE GREATEST CHALLENGE IN THE REASON TSA WAS BULKED UP AND APPROPRIATELY -- THOSE THREATS HAVE EVOLVED OVER TIME, SPECIFICALLY, I WANT TO TALK TO YOU ABOUT HOW TSA NEEDS TO REALIGN TO MEET THOSE OF ALL BEING THREATS. THEIR JOB IS NOT JUST TO PROTECT OUR AIRPORTS AND AIR TRAVELERS, BUT ALSO THE NATION SURFACE TRANSPORTATION SYSTEMS. AND SO, COLONIAL PIPELINE, YOU MAY KNOW, IT'S A BIG ISSUE OF CONCERN WITH THIS COMMITTEE. WE HAD HEARINGS ON, IT WE'D DRAFTED LEGISLATION, ACTUALLY ENACTED SOME LEGISLATION TO HELP DEAL WITH THAT KIND OF THREAT. EXPOSE VULNERABILITIES AND TSA'S OVERSIGHT OF OUR NATION'S SURFACE TRANSPORTATION SYSTEM, SPECIFICALLY THE PIPELINES BUT, MORE BROADLY, THAT RANSOMWARE ATTACK AT COLONIAL PIPELINE WAS THE LARGEST ATTACK ON OIL INFRASTRUCTURE IN THE HISTORY OF THE COUNTRY. IT ALSO PROMPTED YOU TO ISSUE THE FIRST EVER CYBER SECURITY--RELATED SECURITY DIRECTIVES FOR OWNERS AND OPERATORS OF PIPELINES THAT REQUIRE MANDATORY REPORTING AND MITIGATION MEASURES.
